Hello Chris,

It's been some time since we last spoke, and I understand that Tony Carmeli has updated you to a certain extent on our recent activities at the Site, but we would like to get on the phone with you and bring you up to speed on where we are with things and give you an idea of what will be coming your way in the near future.

Do you have some open time slots on your calendar for this week that we could take advantage of? Please let me know and I will set up a call.

Thanks,

Mike Stephenson
